Bruriah is committed to providing support for families with financial need. As a division of The Jewish Educational Center, Bruriah parents are eligible to participate in the revolutionary 'Tuition Max' program which provides a cap of total tuition payments for qualified families at a percentage of their AGI. This program makes tuition far more affordable and removes the guesswork from the Financial Aid Process.

For Financial Aid, please see online FACTS Financial Assistance Application on your school website. Deadline for Financial Aid applications is April 15, 2021.
